Terms and Conditions of Enrolment

When the enrolment form is signed and returned, it becomes a contract for professional services and failure to attend lessons in no way absolves the applicant from his or her financial obligations. Payment for the term must be received at the matriculation day or received before the term start date. One terms notice must be given if a student is no longer able to attend Edinburgh Dance Academy. From time to time school photographs may be used to up-date Edinburgh Dance Academy publicity material. Please inform us in writing if you would prefer your child's photograph not to be used. Please note that there will be changes made to the timetable on an annual basis. These changes are usually made in August before the start of Term 4. Please note that EDA is only responsible for your child during the time of their class. Parents should always wait for the class to begin before leaving the studio and always be there on time to collect their child.

I hereby confirm that I understand and agree to the Terms and Conditions of Enrolment as set out above.
